

GloGal Summer Camp

Like so many, we are heartbroken and frustrated by the massacre that took place at an elementary school in Uvalde, Texas. No parent should have to fear for their child's safety when they send them to school. Our Thoughts and prayers are with every family impacted by this great loss. Please be assured that GalPatch has taken great precaution to secure our GloGal Summer Camp. We are pending a contractual off-duty law enforcement officers/troopers to ensure that our facility is safe and secure

GalPatch would like to welcome you and your child to our GloGal Summer Camp! This summer, girls will GLO as we take a journey exploring the 4 dimensions of well-being. Wellness is the pursuit of continued growth and balance in the four dimensions of wellness. Many people think about "wellness" in terms of physical health only. Wellness, however, is much more than physical health. Wellness is a full integration of physical, mental, emotional and spiritual well-being. It is a complex interaction that leads to quality of life. Wellness necessitates good self-stewardship, for ourselves and for those we care about and who care about us. Attention must be given to all the dimensions, as neglect of any one over time will adversely affect the others, and ultimately one's health, well-being, and quality of life. Making the right choices for health and well-being can be challenging. Although we *know* what is good for us and how we can do — and be — better, we may not act on it, or if we do, we may, in due course, slide back to familiar ways. We will provide the girls with tools to help them by using the "Glo process".
